Dear Mr. Powell:

We are in receipt of your letter with attachments
under date of May 4, 1982.

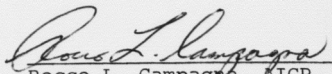

The Lackawanna County Regional Planning Commission
is pleased to hear about the work your committee has
done on the Carbondale City Hall Tower Clock. It is
also our opinion that this building is an important
landmark to the City of Carbondale and should be
preserved for posterity.

All funding for this type of project is handled
by the Pennsylvania Historical and Museum Commission
in Harrisburg. Ms. Donna Williams is their contact
person and her mailing address is:

We will be pleased to keep you abreast of any new
developments in the area of financing although the
current public atmosphere on grants etc. is not as
favorable as in previous times.

Very truly yours,

Rocco L. Campagna, AICP
